Dear Dr. Abdulrazak J. Otaru,

Congratulations! Your paper MAMI-D-19-00676R1 was chosen as the best paper of the Metals and Materials International, issue 4, 2021, to be published soon.

I would like to invite you to send your cover design suggestions.

The cover picture should be based on 'Graphical Abstract' and should be eye-catching and graphically present the essence of or an important message from your research. It is better with the less feeling of complexity in the image. It may, for example, we will arrange the images vertically so that there is no free space, and we will delete the relevant descriptions.

The cover of this year's paper published can be seen in the attached file(*MMI\_Cover\_Vol. 26, 27*). Please consider it for your reference.

Cover image's total size of the image should not exceed 213 mm wide and 200 mm long. Please provide the image in PPTX, TIFF, PSD, JPEG, or PDF format with sufficient resolution (300 dpi). If you have multiple design suggestions, we would be happy to consider them all.

Please send us the original figure file(only image). Please let us know if you have any questions.

Best regards,

Hyoungh Seop Kim, EIC of MMI
